Espace Latrille Events

WELCOME

to La Nuit de l'Excellence 2025.

Excellence is built, affirmed, and constantly reimagined. It reflects a deep commitment, a clear vision, and a shared ambition that drive us forward. Tonight, we celebrate those who bring this spirit to life – turning challenges into opportunities and achievements into inspiration.

Its strength lies in a story, in values, in legacy. For over 30 years, Africa has been our home – a land of inspiration that has shaped our identity and supported our journey. Tonight, through the flavours, the sounds, and the symbols around you, we honour this living heritage that continues to guide us.

"Back to the Roots" celebrates the power of origin – our foundations, our culture, our shared richness. It's not a step back, but a solid anchor that fuels innovation, creativity, and excellence.

This evening is yours.

A moment of recognition, celebration, and pride.

A tribute to those whose talent and boldness make our company shine.

Congratulations to all the winners, and have a delightful evening !
